

Syderstone Parish Council Internet Banking Policy

Background

The Legislative Reform (Payments by Parish Councils, Community Councils and Charter Trustees) Order 2014 came into effect on 12th March 2014. This Legislative Reform Order repeals the statutory requirement for two elected members to sign cheques and other orders for payment. The removal of this particular legal requirement will enable Parish Councils to take an overall approach to how it controls its money as well as taking advantage of modern technology including internet banking.

The Parish Council acknowledges the need to maintain robust controls on payments as an integrated part of its overall financial control system.
